CADRE Symposium 2022

A Day in the Life...

WHO:

Are you a nonprofit, faith-based or community agency that provides services in Santa Clara County?

Do you work for your local CERT or neighborhood safety council?

Are you a pastor or spiritual leader who has offered support in times of an emergency or disaster?

Are you a City or County emergency manager or government worker assigned to your jurisdiction's Emergency Operations Center?

Have you responded to or provided disaster relief services to your community?

If so, this symposium is for you!

WHAT:

When emergencies or disasters strike, we all know that demands for services and information increase. How do we know that information about response and recovery is being received and understood by the whole community? Are there mechanisms for feedback to measure our success? SB160 puts higher expectations on the government to include accessibility and accommodation in all aspects of public safety. The expertise in meeting challenges within the nonprofit, faith-based, and community-based section are essential to achieving equity.

CADRE's 2022 Virtual Symposium will focus on disasters from different community member's perspectives and explore how well we, as a whole community, are serving the needs of our diverse Santa Clara County community. Discussions will be engaging and focus on challenges and solutions. Inclusive emergency planning celebrates the differences and diversity of our community during all phases of the emergency management cycle.

WHEN, WHERE and HOW:

May 24, 25 and 26, 2022

Each day there will be two 90-minute sessions held by zoom— a large group plenary and a breakout discussion.

To register [click here](#) to see CADRE's May 2022 Training Calendar OR use the links below for each session:

[Opening Session](#) – May 24 at 9am

[Breakout Session 1](#) -Alert and Notification – May 24 at 1pm

[Breakout Session 2](#) – Response and Relief – May 25 at 9am

[Day 2 Plenary](#) Keynote session with June Issacson Kailes – May 25 at 11am
