

Children's Disaster Services

Partnered with

Responding to Children in Disasters

June 28, 2021

4:00pm-6:00pm PST

Virtual Zoom Webinar

Children's Disaster Services (CDS) trains and certifies volunteers for specialized childcare after disasters, working cooperatively with American Red Cross, to provide a safe environment and a comforting presence for children impacted by trauma since 1980. Child Life Disaster Relief (CLDR) is a partner of CDS, focusing on psychosocial and emotional needs of children impacted by disaster.

In this interactive, online webinar, disaster workers will receive a brief overview of best childcare protocols so that they are better equipped to rise up and meet the challenge of helping children affected by disaster until more specialized childcare teams can arrive. Additional educational resources will be provided on helping children after disasters to increase positive coping and build resilience.

To register for this event prior to the webinar, please go to:
