Submitted by: Andrea Flores-Shelton, City of San José

City of San José Coronavirus Relief Funds Grants to Non Profits

Grants will be limited to nonprofit, 501c3 organizations, or grassroots community organizations under the fiscal agency of a 501c3 nonprofit. The organization must serve San José communities disproportionately and negatively impacted by the COVID-19 pandemic. **Eligible organizations must serve one or more of the following populations:**

Residents of San José neighborhoods with the highest rates of COVID-19 and pandemic-related job loss: 95110, 95111, 95112, 95116, 95122, or 95127

OR

Members of populations more likely to disproportionately experience serious illness or death from COVID-19 or pandemic-related economic harm:

- o Seniors over age 65
- o Residents with disabilities
- o Residents who are Black, African-American, of African ancestry
- o Residents who are Latinx
- o Residents who were previously incarcerated, particularly those recently released due to the pandemic
- o Residents who are low-wage essential workers
- o Residents who are ineligible for or lack access to other government resources, such as unemployment

Funded programs (must serve those impacted by COVID-19 or pandemic-induced recession):

1. Outreach, education, and empowerment around the pandemic, including peer engagement and empowerment with residents in communities of risk.
2. Case management services
3. Health or mental health services
4. Legal Assistance
5. Childcare or distance learning
