

West Valley Service Providers

Statement of Purpose

The West Valley Service Providers (WVSP) group is a network of community service providers. Its purpose is to share information and advocate for programs and social services for the underserved in the West Valley area of Santa Clara County, including Los Gatos, Saratoga, Campbell, Monte Sereno, Cupertino, and west San Jose. The network has been active since 2016 and seeks to increase awareness and support for service providers in the community.

Schedule of Meetings

We hold quarterly meetings and forums to educate our members, share information, and coordinate efforts on behalf of the underserved. Regular meetings are scheduled on the second Tuesday of February, May, September and November at 2:30 pm.

Network Structure

Communications and meeting scheduling is carried out by the WVSP Network coordinator (Tom Picraux, dpicraux@gmail.com) in coordination with the Los Gatos Community Health and Senior Services Commission (CHSSC) and the Saratoga Area Senior Coordinating Council (SASCC). The group is an informal network of service providers and community service groups.
